Today's Speaker: **Bill Greene**

Dr. Bill Greene is the proud spouse of MaryEllen in the Mt. P. Club. They completed Medical School at SUNY Syracuse and Urology Residency at Walter Reed Army Medical Center. Bill has been a Rotarian for 25 years. He has been a strong supporter for Water Mission during this period. He shared his surgical expertise during eight medical mission trips to Haiti, the poorest country in the Western Hemisphere. He has spearheaded five Rotary Global Grants involving water and sanitation in Haiti, Peru and Kenya. These grants would not have been made possible without the expertise and support of Water Mission.
