LOUISA STOREN BIOGRAPHY

Louisa Storen is a Licensed Social Worker and Licensed Marriage and Family Therapist. She has been in private practice since 1985; her office is currently in Mount Pleasant, SC. She has worked in the mental and medical health fields since she received her Masters Degree from the University Of South Carolina in 1978. She owned an Employee Assistance Program for many years with clients such as Charleston County, Exxon and other employers. She also served as the Diocese of Charleston's Victims Assistance Coordinator for 20 years.

Louisa is married, and she resides with her husband, Joe, in Mount Pleasant, SC. She grew up in downtown Charleston when it felt like a small town. This has given her a unique perspective on how fast the area has grown. She believes that with this growth has come an influx of new ideas and people which have greatly contributed to this area.
