Rising singer-songwriter Eli Lev is making the world a smaller place, one song at a time. Eli pens lyrics and melodies for everyday enlightenment—songs that resonate because they're heartfelt, earthy, and offer the wisdom he's gained through lifelong travel and self-discovery. His latest project, an EP called 'Walk.Talk.Dance.Sing,' was inspired by the events of the pandemic and explores the range of emotions that we all went through as a society and individuals.

His previous release, The Four Directions Project, imaginatively and intrepidly connects spheres and generations within a body of work that is irresistibly uplifting, emotionally resonant, and down-to-earth. A cross between The Avett Brothers and The Lumineers, Lev has opened for both Shooter Jennings and Lee DeWyze, performed at The Kennedy Center and 9:30 Club in Washington, DC, and toured extensively within the USA as well as abroad.
