Seaside Senior Care

Seaside Senior Care is a locally-founded and family-managed home care company proudly serving our coastal South Carolina communities since 2016. What sets us apart isn't just our decades of experience — it's our deep connection to this community and our unwavering commitment to treating every client like family.

Seaside Senior Care is a mother-daughter-daughter team who understands that exceptional care starts with a foundation of trust, compassion, and service. We've built our reputation one family at a time, earning the trust of local healthcare providers and countless families who depend on us to provide the highest level of care to their loved ones.

We remain intentionally small and intimate, so we can offer truly personal, reliable, and safe care. Every caregiver is hand-selected and fully vetted. Every care plan is tailored to the specific needs of each family. And every client receives the kind of attentive, compassionate support we'd provide our own loved ones.
