Club Assembly

Andrew McGlaughon

discovered Rotary early in life through his uncle and his mother's best friend - often attending the lunch club in Jacksonville, NC at Fisherman's Wharf. Little did he know that his involvement as a guest, then as an officer in his high school's Interact Club would lead to the Mount Pleasant Rotary Club years later.

As a father of two teen/tween boys Andrew can be found at a

soccer field on almost any free weekend or evening. Professionally, Andrew works for the American Heart Association where the mission hits close to home as a heart survivor and from a family that has been affected tremendously by heart disease and stroke.

Andrew and his wife Laura moved to Mount Pleasant in 2007 to live by the beach for a couple of years and have made it home ever since. His initial move was to work in college athletics at the College of Charleston prior to moving to the nonprofit world.

A proud Tar Heel, Andrew and his family can be found cheering on North Carolina in their few moments of free time.

He looks forward to serving the club this year and reminds each of you that he is here to work on all of our behalf to create positive impacts in the East Cooper community.

**If
you're
not this**

If you're not Scottish and therefore you aren't sure how to pronounce the last name of our Club President Andrew McGlaughon, here's a suggestion:

Think about McDonalds expanding their business to include landscaping. You hire them to replace the front yard of your home. When completed, you now have a brand new "McLawn!"
